

Curriculum Vitae

Nancy E. Epstein M.D.

- Date of Birth: December 28, 1950
- Education:
- Barnard College, New York-1968-1972 (B.S.)
- Columbia University College of Physicians and Surgeons-1972-1976 (M.D.)
- Post Graduate Training:
- (1976 – 1977) Internship General Surgery
New York University - Bellevue Medical Center,
New York, New York
- (1977 – 1981) Neurosurgical Resident
New York University - Bellevue Medical Center,
New York, New York
- Professional Employment:
- (1982-present) Long Island Neurosurgical
Associates, P.C.
- Hospital Appointments:
- (2003-present) Attending, Division of Neurosurgery
Winthrop University Hospital,
Mineola, New York
- (1999-present) Associate Attending, Neurosurgery
Long Island Jewish Medical Center,
New Hyde Park, New York
- (1999-present) Assistant Attending Orthopedic
Surgery
Long Island Jewish Medical Center,
New Hyde Park, New York
- (1993-2001) Chief of Division Neurosurgery and
Attending
North Shore University Hospital,
Manhasset, New York

(1981-1999) Assistant Attending Neurosurgery
Long Island Jewish Medical Center,
New Hyde Park, New York

(1989 –present) Associate Attending, Neurosurgery
North Shore University Hospital,
Manhasset, New York

(1981-1989) Assistant Attending, Neurosurgery
North Shore University Hospital,
Manhasset, New York

Academic Appointments:

(2000–present) Clinical Professor of Neurological
Surgery
The Albert Einstein College of
Medicine, Bronx, NY

(1990–present) Adjunct Clinical Associate Professor
of Surgery – Neurosurgery
The Cornell University Medical
College, New York, NY

(1996-present) Adjunct Professor Psychology
Columbia University, New York,
New York

(1989-1999) Assistant Clinical Professor of
Neurological Surgery
Albert Einstein College of Medicine,
Bronx, NY

(1989-1990) Adjunct Clinical Assistant Professor
of Surgery – Neurosurgery
The Cornell University Medical
College, New York, New York

(1990-1996) Adjunct Associate Professor
Psychology
Columbia University, NY, NY

(1982-1990) Assistant Clinical Professor of
Neurosurgery
State University of New York at
Stony Brook, NY

(1981-1990) Clinical Assistant Professor of
Surgery / Neurosurgery
N.Y.U. Medical College, NY, NY

Board Certification: Diplomate of The American Board of Neurological
Surgeons, May 1984

New York License: #131881 - August 12,1977

Professional Society Membership:

The American Association of Neurological
Surgeons (AANS)

Joint Section on Disorders of the Spine and
Peripheral Nerves of the AANS

Cervical Spine Research Society

Congress of Neurological Surgeons (CNS)

North American Lumbar Spine Society

New York State Neurosurgical Society

American Medical Association

American Medical Women's Association Inc

Nassau County Medical Society

Barnard College (Columbia University)
Science Advisory Council-2004

Awards and Honors:

President-Cervical Spine Research Society
(2001-2002)

President Elect-Cervical Spine Research Society
(2000-2001)

Vice President Elect-Cervical Spine Research
Society (1999-2000)

Treasurer-Cervical Spine Research Society
(1997-1998)

Long Island Center For Business and Professional Women, Annual Achiever's Award (1988)

Fellow of the American College of Surgeons (FACS) (1985)

Fellow of the International College of Surgeons (FICS) (1984)

Alpha Omega Alpha Society (1975)

Editorial Boards:

The Spine Journal (2000-2003)
Associate Editor (2003-present)

Journal of Spinal Disorders (1990 – present)

Spine (1991–present)
Spine-Advisory Editor (1990)

Neuro-Orthopedics (1995-2000)

Surgical Neurology (1996-present)

Spinal Cord (International Medical Society of Paraplegia) (1997-present)

Spinal Surgery (Japanese Society of Spinal Surgery) (1997-present)

Other Professional Activities:

President, The Joseph A. Epstein Neurosurgical Education Foundation (2003-present)

Committee to Promote Science (Barnard College, Columbia University) 2004

Chairman and Lecturer in Winthrop University Hospital Bi-Annual Conference on Neurosurgical Issues in Spine and Brain 2003-present

Co-Instructor, Columbia University (W3444) Issues in Mind and Brain: Techniques for non-invasive

assessment of human brain activity with
Prof. Donald Hood, 1991- present

Chair Scientific Program Committee Cervical Spine
Research Society, 1996

Chair: Scientific Program Committee: Joint Section
on Disorders of the Spine and Peripheral Nerves –
American Association of Neurological Surgeons

Congress of Neurological Surgeons, 1991

Newsletter Editor 1990: American Association
Neurological Surgeons-Joint Section on Disorders of
the Spine and Peripheral Nerves
